

SURREY FIRE SAFETY

Outdoor Burning & Cooking

WHAT YOU NEED TO KNOW

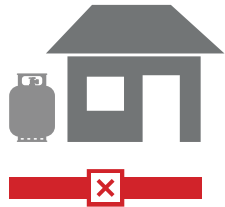

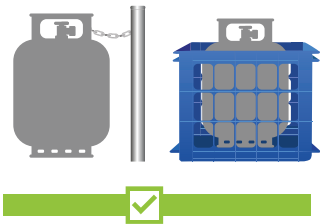

- There is no open burning permitted in the City of Surrey. This means that Cooking fires, campfires, and the burning of garbage are all prohibited.
- Chimneas or any other consumer product that is built for the burning of wood is not permitted.
- Natural gas, propane or charcoal briquettes are permitted as long as they are being used in ULC/CSA-approved devices for that particular product.
- Outdoor burning of materials that are relevant to the continuation of farming is only permitted on land that has been classified as Farm/Agricultural land by BC Assessment, are actively engaged in agriculture/farming, and possess a valid permit issued by the Surrey Fire Service.

SURREY FIRE SERVICES WANTS YOU TO STAY SAFE. PLEASE FOLLOW THE ADVICE ON THE BACK OF THIS CARD.

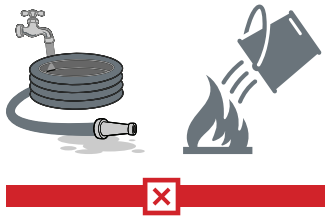

FIRE PREVENTION OFFICE: 604-543-6780

PREVENT FIRES

- Cooking must be 10ft away from buildings or 3m away from any structure.
- Keep unused propane away from cooking devices.
- Properly secure propane so it doesn't fall over.

HOW TO PUT OUT A FIRE

WARNING: Failure to abide by any/all of Surrey's burning regulations may result in cost recovery being applied for Fire Service attendance.
